

Dear students,

Notification regarding the postponement of mid term examination for specific departments is only applicable to NUML Islamabad. Peshawar campus will commence with the examination as per the schedule notified already.

However, strict observance of the Covid 19 SOPS must be ensured. The following must be practiced in true letter and spirit:

- 1-Wear face mask at all times at the campus.
- 2-Maintain social distancing.
- 3-Arrive 15 minutes earlier than the paper timings only.
- 4- You should leave the campus as soon as your paper is over.

Failure to meet the instructions will result into heavy fines.

Good luck!
