# Application Steps for IHECON2024

1

#### Abstract Submission

Abstract submission can be done through the abstract submission tab on our website's homepage. The deadlines for abstract submission are as follows:  
Early registration deadline: July 15, 2024  
Regular registration deadline: August 20, 2024.

2

#### Evaluation

Your submission will be reviewed by the editorial team, and you will be informed of acceptance with an acceptance letter or rejection with referee reports.

3

#### Payment of Participation Fees

You will receive a notification via email upon approval of your application. Once you receive the acceptance email, you can proceed with the registration payment to the account specified in the email details.

4

#### Conference Program-Online Participation and Presentation Guidelines

The conference program, details for online participation, and presentation guidelines will be emailed to you on September 10, 2024, and announced on the conference webpage.

5

#### Conference

The conference will take place online and face-to-face at Ondokuz Mayıs University in Samsun on October 25-27, 2024.

6

#### Participation Certificate

An internationally recognized participation certificate and a thank-you letter will be provided to you after the session.

7

#### Full Paper Submission

Participants wishing to submit full papers can submit them to our journal panel by following the application steps in the registration and payment tab on our website. The deadline for full paper submission is November 10, 2024.  
Detailed information on full paper submission will soon be available in a video announcement on our website.

8

#### Feedback-Suggestions

You can send your feedback, suggestions, and information requests related to our conference to the conference secretariat via the official conference email address [ihecon@omu.edu.tr](mailto:ihecon@omu.edu.tr)

Got any questions?  
Feel free to contact us:
