A New Career?

Gain in-demand skills that can lead to jobs in high-growth fields of project management, UX design, data analytics, & much more.

Google Career Certificates

IRM in collaboration with Google and Ignite is offering Google Career Certificates. Complete a Google career certificate online: designed by Google, taught by Google, made for you. Less than 10 hours of study per week over six months at your own pace and time can help accelerate your career, and give you the following skills needed to thrive in the digital workforce.

Through IRM and Ignite, Google will be distributing scholarships to those in need. Enroll today to get your scholarship in the below courses.

- ▶ IT support
- ▶ Project Management
- ▶ UX Design
- ▶ Data Analysis
- ▶ IT Automation
- ▶ Digital Marketing & E-Commerce
