## PROFESSIONAL EXPERIENCE

### Lecturer NUML 2016- Till Present

Currently I am working as a lecturer in International Relations department of National University of Modern Languages. I am teaching different courses of International Relations at Masters Level. Besides teaching I have supervised more than 100 students for their Masters Thesis.

### Workshops and Trainings

I have vast experiences of attending different trainings and workshops arranged by NUML and HEC. In these workshops I have learned different types of Research and teaching techniques. These trainings and workshops helped me to sharpen my research skills and with their application according to the modern needs of research. I have also attended Masters Teachers Training Workshop organized by HEC in 2017.

### Foreign Qualification

Diploma in International European Studies from University of Vienna, Austria 2017.

### Change the World United Nations New York 2016

This was the unique experience and honour for me to represent Pakistan at International Level. This whole event was organised by the Diplomatici in the United Nation Headquarter in New York. I am the first Pakistani to win the "BEST DELEGATE AWARD". I have competed the representatives of more than 190 countries and won the best delegate award. I have earned this award with hard work and extreme dedication towards my profession.

### Teaching Associate (National Defense University) 2013-2015

I worked as a teaching assistant with Dr. Muhammad Khan in National Defense University, Islamabad. I assisted him in the courses of "International Relations" and "Pakistan Studies" at graduate level. All the requisite material for the subjects were funnelled by me during Dr Muhammad Khan's absence, I also delivered the lectures and guided the students for the problems regarding the subject. This experience really helped me nurturing my potential in
