I am highly motivated and enthusiastic, always willing to learn, work well with others as well as efficiently on my own. I am also always up to new and exciting challenges and love to learn. I am looking to expand my knowledge, while also giving my best to my employer. I Strongly wish to be faculty of your esteemed University as Assistant Professor for Mass Communication/Journalism/ Media Science/Media Studies.

To develop contemporary, creative and innovative leaders for the 21st century global media market and higher education through active leadership in the enterprise of educational degree programs. My professional experience will include global Conventional Media, Electronic and Digital Media study and research and also motivational and training seminars for developing leaders.

To leverage my practical media expertise, teaching and research experience and my educational knowledge in Media Science and as HEC Approved Supervisor with a growing and innovative company will be beneficial for the students and scholars

Experience

HEC Approved Supervisor

HEC Approved Supervisor for Social Science (APP ID.
88209)

Currently I am working as a coordinator for the department of Media and Communication NUML Karachi

Assistant Professor

Currently working with ILMA University Karachi as Faculty of Media Science since 15 September 2020. I have efficiently taught 20 courses for 5 semesters 20 courses, supervised 16 Final Projects and 7 conducted Grade I courses.

I have also organized 3 International Virtual Conference for ILMA University during 2020-2021

I have also organized Seminars, Webinars and Guest Speakers sessions for all the courses.

I have also worked as the Editor of Research Journal “*Journal of Media & Communication*”

Working Journalist

I have worked as a working journalist carrying a variety of responsibilities in Jang Media Group for twelve years (Oct, 2007 to Jan, 2019) including editing, coordinating desk, sorting news content, making lay out of the paper, supervising desk, exploring net content, leading news team, reporting and so on. In this way I have gained experience in practical journalism which will be an inspiring guide for my students.
