INTRODUCTION

I am currently teaching the subject of International Relations at NATIONAL UNIVERSITY OF MODERN LANGUAGES. I can guide, communicate, and express myself both verbally and in writing constructively and effectively. My teaching methods promote a stimulating learning environment. I can work as a leader or as part of a team and can successfully work to tight schedules and deadlines. I am currently teaching IR at NUML, Khi and simultaneously pursuing a PhD in IR from Karachi University. Also, I am visually impaired but my drive and ambition have not let me slow down in carving out a better future for myself and my family.

AWARD

I was the recipient of a Gold Medal in my M. Phil graduation.

EXPERTISE

I have successfully completed the Faculty Development Program (FDP). It helped me in gaining advanced skills in teaching pedagogy, curriculum design, and research methodologies. It made me proficient in integrating technology into education, effective communication, and student assessment. I was able to demonstrate strong leadership, adaptability, and collaborative abilities, with a commitment to continuous professional development.
