Office 365 Installation Guide

User Guide Documentation

National University of Modern Languages

(NUML)

This Guide is about Installing and activating Microsoft Office 365. You will be guided step by step about how you install and Activate Office 365

Office 365 Installation

Step#01: Go to the link (<u>https://Portal.office.com</u>) and Click on Sign In button.

Step#02: Enter Office 365 Username & Click Next

WARNING: Please note that ICT has provided you valid email with password to complete this process. If not in possession of the same then wait and get the same. With a false try may create issues in subsequent installation of office365; otherwise it is just a simple few minutes process.

Step#03: On the Right Top Corner

- Click on Install Office Button
- Select Office 365 apps

> A file will be download of size 5.3 MB
