Repeat Semester _____

I fully understand that in all the subsequent semesters, a student must maintain a minimum of 2.0 CGPA. A student securing a CGPA less than 2.0 will be promoted to the next semester on probation. If she / he fails, to bring his / her CGPA to 2.0 by the end of next semester, she/he will be promoted but put on second probation with a warning for dismissal. If she/he again fails to bring his / her CGPA to 2.0 by the end of next semester, she/he will be dropped from the program.
